SOCIAL SERVICES

Department of Social Services Baltimore City
Dhr.maryland.gov

In Maryland, Social services include adoption; foster care; protective services to children, adults, and families; public assistance; and services to families with children. Throughout the State, the Family Investment Administration and the Social Services Administration of the Department of Human Services oversee social services programs administered in each county and Baltimore City through local departments of social services. The executive director of each local department of social services reports to the Secretary of Human Services.
